Dear Kindergarten parents,

We are very excited to welcome our students back on campus in September. As I am sure you are aware we are putting preventative measures in place with regards to Covid 19. With that in mind, we would like to request your assistance with some basic procedures that will help us ensure rigorous safety and hygiene practices in our kindergarten classrooms.

We have created a 'back to school' checklist and would like to ask that you support us by providing the items on the list. Please clearly label your child's individual belongings to limit any accidental sharing of personal items.

As we are limiting the amount of mixing our K students do, we will not be able to have a waiting room for the late collection of students. We kindly request that you collect your child on time so we are able to minimise contact outside of our class bubbles.

We would appreciate you taking time to read our checklists.

BACK TO SCHOOL CHECKLIST

Kindergarten 3

- Small blanket
- Small pillow
- Water bottle
- Please note we will not have a canteen service so please provide a small healthy snack for AM and PM alongside a healthy lunch
- Indoor slippers for comfort and safety reasons
- Change of clothes in case of accidents
- Small towel for drying hands/face

Kindergarten 4 and Kindergarten 5

- Small blanket
- Small pillow
- Water bottle
- Please note we will not have a canteen service so please provide a small healthy snack for AM and PM alongside a healthy lunch
- Indoor slippers for comfort and safety reasons
- Small towel for drying hands/face
